CONCISE EXPLANATION OF NON-ENGLISH DOCUMENTS

Albrecht, K. and Lampe, D. describe diagnoses and therapies for acute drug emergencies (overdoses, or acute withdrawal symptoms), such as with amphetamines, cannabis, cocaine, opiates, and inhalants. A copy of an English translation is provided herewith.

None of the above-cited documents, made of record by applicant herein, renders unpatentable, either alone or in combination thereof, the pending claims of this statement.

Applicant request that these documents be (1) fully considered by the Examiner during the course of examination of this application; and (2) printed on any patent issuing from this application. Applicant also request that a copy of the enclosed Form PTO-1449, as considered and initialed by the Examiner, be forwarded to the undersigned with the next communication.

This statement is submitted more than three months from the application filing date but before the mailing date of the first substantive Office Action. In

accordance with 37 C.F.R. § 1.97, submission of this Statement requires no fee.

The Director, however, is hereby authorized to charge payment of any additional fee required in connection with this Information Disclosure Statement to Deposit Account No. 06-1075. A duplicate copy of this letter is transmitted herewith.

Respectfully submitted,
